“ Sorry for your loss. We had known Monty and Kathy for many years. Money had worked for us at times throughout his brick laying career . I had seen your mom frequently when shopping at Shopko. When Larry was at Tiffany 2015 to 2016 we say them daily . Kathy’s room was just a few doors down from him. I would visit with them when he pushed her down to the dining room. Monty and I would sit down at the front and wait for them to finish. We had many great conversations over that year. I was thankful when my husband was able to return home. Terry Jakubowski would keep us up to date on news about Monty. Sadly Lorraine Barnes. Keeping your family in my prayers
