“ *I just found out about Kay Lynn's passing today and am so very sorry. My Dad (Harold Brakhahn) was best friends with Mert. Our families spent much time together growing up. I was the youngest of 5 children and the only girl and 10 years younger than Kay Lynn. I adored Kay Lynn and was so upset when she got engaged to Marlin because I didn't want to share her. I even named my cat after her! I have so many fond memories growing up with the Wolzen family. While we may have not seen each other in years, I still feel a warm place in my heart for her and the Wolzen family.*

My parents were Kay Lynn's baptismal sponsors and thought the world of her. My Dad was called home to Heaven nearly 8 years ago. My Mom is in a nursing home in Beaver City. I know she would have been at the funeral if she could have been.

You are all in my prayers for comfort and peace at the way too early death of this wonderful woman. God Bless and Keep you in His loving care.

“ *Kay was a special friend. Such a caring person that I spent lots of hours with when our kids were in show choir at Northwest and then working with her at Bosselmans. She will now be your angel Marlin, Chad, Scott, Jason, Shellie and family... May her wonderful memories bring you peace.*

“ *I had the pleasure of working with Kay for several years at Bosselman's corporate office. She was a joyful teammate who was always willing to chip in when we all were under the gun. She loved to share updates on all of her kids and we loved to hear about them. I so enjoyed Kay and want to send heartfelt prayers to her family. Heaven received a wonderful Angel! God Bless you all...*

“ *Marlan and Kids, When I saw this smiling picture of Kay I remember all the fun we had working together with booster club, musical and show choir. She was such a pleasure to work with, even when the project wasn't that much fun...cutting and sewing yards and yards of fake leather and making what seemed like 1,000 robes for Aida. We spent so many hours together in the concession stands and working on the Steakfeed. We laughed so much when we had our "retired" show choir mom's sleep over in Lincoln. I am sorry about her struggles these past few months. It just isn't fair and I know there is nothing I can say to make this better for you, just know....Kay was a true and trusted friend, someone I knew I could count on, and that says a lot about the person she was. I am so sorry she is gone.*
