“ *I was devastated to hear of Kiki's passing. Kiki and my daughter-in-law Krisi Barlow were like sisters. The best of friends. Soul mates. The first time I met her I laughed until I cried. She was full of surprises. But she embraced life to the fullest and let you know exactly what she thought. :-)* A Beautiful little lady, inside and out. Heaven is shining brighter with Kiki and Christian. Prayers to all of the family and to her loving friends. Shine bright Kiki. Love you.

“ *I met KiKi when her parents were pastoring a church my roommate attended in Tustin, California. I have been in Deaf Culture ministries for over 50 years and this was my first time to be involved in a hearing church because my roommate needed my help. She was unable to drive. It was fun to chat with KiKi after church. She would come and ask me to show her signs for words. She was always very curious and a quick learner and a pleasure to chat with and show her signs. ❤️👉👎*

“ *Sending many prayers. We were blessed with helping take care of Kadri for a couple years and I will never forget how much Keilah loved her kids. She was strong and resilient. I don't think she ever knew the impact she had on my life and probably many others.*
