“ *I did not know Keith, but work with his daughter Lori. My heart goes out to his family and friends. May the spirit of peace and stillness be with all as they mourn.*

“ *Keith made a lasting impression on me and many of my friends when we were in high school and college when we worked for him at his Mobil station in Grand Island. He was always a friend, mentor and honest with you (even when you didn't want to hear it"). He was a person we could all look up to and always knew we could turn to him for advice or just someone to talk to. I haven't seen Keith for over 40 years as my career has taken me to all points of the compass but know he was one of the reasons I became the person I am today because of his example and caring. Safe travels Keith, until we meet again!*

“ *Keith was a great man who loved to share his knowledge with others whether it was about antiques or just life. We have missed the time we use to spend with him. Our sympathies.*
