“ Condolences to the family. I am Jerry Glass, son of Don and Frances Glass, formerly of Fairfield. I was also born in Fairfield, approximately a month and a half before Keith. If I remember correctly, Keith's parents has a house in Kearney with an apartment in the Basement which they rented to college students, of which I was one, approximately 1965-66 along with several other students from Fairfield. I now again reside in Grand Island.

This is Jerry Glass again. I apologize for a mistake in the comment yesterday. The apartment I spoke of was with the Crookshanks. I got mixed up.
