“ He was Christian, very faithful to the Lord. He quoted bible verses quite often. He gave great advice to many and was extremely smart at so many things. He attended funerals when he could, he felt it was important. He had a kind heart, I knew his thoughts, his wishes (even in death) and all of his future dreams. I will never stop loving him. “ I am so sorry to hear of Kerrys passing. I had looked for him on facebook but guess he didnt do that. He was a great friend to me in the early 80's. We were room mates, rode our motorcycles together, and hung out at the Sundowner way too much. He taught me how to play backgammon. He was a great and loyal friend and I am so sorry we were not able to reconnect. I will miss him. My condolences to the family.
