“ Korey will be missed greatly, he was a sweety and very special friend to me and my husband always willing to help out whenever asked. He was a great kiddo... who really deserved someone special in his life, for he was extra special, charming cute kid. Korey also helped with some Aurora Jaycee projects and was a member of the Jaycees as well, helping as needed in the greatest ways he could and whenever he could. Just as he did without even being a Jaycee just the way Korey always was giving of himself or a helping hand as and where ever needed.
Will miss you greatly Korey!!!!
