“ *Kraig we knew each other a long time. Sure had some good times back in high school. I don't think I ever saw you without a smile on your face. You left us with some great memories. I know you fought the hard fight. You gave it all you could. Sucks you were sent home so soon. There are so many that will miss you. I feel so bad that I can't get back to GI to say farewell. Your spirit will live on in those that love you. Glad we got to talk a few times on the phone the last few months. See you when I make it the paradise.*
