“ I enjoyed working w/ Kristine at GIVH. She was always a team player w/ a positive "can do" outlook. In her quiet spirit, she persevered in getting things done. She would look at problems from a variety of ways & offer good solutions. She will be missed!

“ Kristine will be remembered fondly here at Saint Francis. Those of us who worked with her remember her as a hard worker who always helped everyone out. She always had a smile and a kind word. She was loved by patients and staff alike. Our deepest sympathies to all of her beloved family. She spoke of you often.

“ I have so many memories. I've been escaping in them the last two days. I remember as young children we would fight. I was a brat and deserved every bit of it. As teenagers she was my best friend. She knew me so well. I couldn't hide anything. She was always looking out for me like I was still the baby. Some of my fondest memories are from when we'd come visit. Always had a good time. Playing games, decorating cookies, playing in the Parks, eating good food (John taught her that... She wasn't much of a cook before he entered her life). She was such a good mom. She had more love to share than anyone I know. I will hold tight to my memories. I cherish them as I cherish breath.

“ I have so many memories with Kristine that It's hard to pick one. I keep picturing her in my mind as the beautiful, carefree, loving girl and woman that I knew. We weren't in touch as much as we should of been after I moved from Lincoln and I regret that. Kristy had a kind, caring soul and was with me through a lot. I will miss her and keep her memories close to my heart and smile when I think of them always. I love you Kristy.....RIP

I just want to say upon Kristine Antillon's family. That we are truly blessed by the many of lives she touched. She was an angel on Earth and now in Heaven with a gown made of purity that sparkles in eternal pearlescents and a sash made of gold from all the lives she enriched. She may have left us physically, but forever remains in our hearts. With love the whole(Soderstrom-Antillon) family.
