“ Sam and I went to Steelworker "A" school together in 71 - 72. Then we were stationed at NAF Sigonella, Sicily together where we lived of base in Mota Saint Anistatia. After Sicily we lost track of each other he became a east coast seabed and I became a west coast seabed. We met up again in 1990 - 1991 he was with NMCB Seven and I was in NMCB FIVE in the sand pit. I think about him often, we had such good times together in Sicily. He is the one who got me into riding motorcycles. We toured all over the island on those bikes. We even shipped our bikes back to the US where we picked them up in Bayonne New Jersey in December (that was an adventure in its self) and rode them back to Davisville Rhoad Island for Steelworker "B" school.

I am so very sorry for your lose he was a super guy.
