“ I'll never forget growing up with you. Eating happy meals in the back of the big green van, making mud pies, playing Nintendo, eating Grandma's pies, walking to "pump and dump", and the many other wonderful adventures we shared. We really had the best childhood when we were little. I loved being one of the boys with you, Jamie, and Davey. Please give Grams and Gramps a big hug and kiss for me Kyle. Watch over us from above, We love you and will miss you until we meet again.
