“ *Jeff and family,*

*Sorry to hear of your mothers passing . It's never easy for sure. I am still missing Rick so terribly much. People say to just go on and quit thinking about it but a person needs to take their own time for grief . It will get easier but don't let anyone tell you to stop grieving. Take your own time. I still think of all the time that you and Rick spent together. He thought a lot of you and your family. Just know that I am thinking of you all and offer my sympathies to you and everyone else in the family. Take care and God Bless You all.*
