“ *As a long time member of New Life Community Church, I've known LaNell for quite a few years. I really appreciated LaNell, and first got to know her, when she volunteered at Oasis, a Tuesday morning coffee bar that was headquartered out of NLCC at 301 W. 2nd Street in Grand Island. I admired LaNell for caring for her grandkids and giving them a loving home even in the face of her health problems! What a great Lady for doing that!*

*I regretted being out of town for 10 days at the time of LaNell's death and service. I would like to have been there.*
