“ *Susanne, Sorry to read of Larry's passing. I remember him from my visits to Chicago Lumber in the early days of our business and of my early days with you selling Avon. He always had a smile and so helpful when I picked up supplies that my Larry had ordered. I know you will have so many good memories of him and that's what helps us at this sad time when we lose our husband's of so many years. Prayers for you and your family. Lorraine Barnes*
