“ *Jack was a great friend of mine. In the 90's, he wrote me from Texas when each of my parents died. He was so nice to film some of my Little League games. Then we would watch film of these games and swim in his backyard pool. I am so sorry for your loss.*

“ Hey Jensen girls,

So sorry to see this and I send my thoughts and prayers. Jack was just as you described, "...happy-go-lucky spirit, easy-going personality and love of life." He certainly had to be to put up with the likes of friends like me. :) I hope the next couple of days go as well as can be expected. Again, I'll be thinking and praying for you and the family.
