“ *I am so blessed to have had an aunt as loving as Aunt Vonnie! She treated me in as if I were her child when I was a little girl when we all lived in the trailer park in Sidney. And even later in my life she was there for me. I took advantage of how much of an impact in my life she was to my life. She helped get through so many complications in my life while growing up and even after the birth of my first child. You will forever be missed!*

“ *I remember Vonnie as always lighting up when she saw us. She and Jim helped Jerry and I feel so at home and loved when we married and worshiped at St. Paul's. Oh, the lovely times of knowing we had "family" in town. I remember playing cards and having burgers with a lovely bottle of wine picked up on their travels. Vonnie had a faith that assures me she is in heaven with her Savior and that one day we will worship him again together and that will be throughout eternity. We pray all those who love Vonnie will be comforted by our Savior.
