“ I will always remember her smile and laughter! She brightened my day every time I was around her. We had so much fun when we all got together, cooking, eating, listening to her play the piano. Her positive attitude and kindness left a very profound impact on me and I couldn't have wished for a better aunt to grow up around! ❤️

“ Thankful for all of the memories of Aunt Leone. Summers in Minnesota and North Dakota when we were kids. Sleeping in Verl and Leone’s popup tent camper after she took us to see The Goddather! A bunch of scared girls in that camper that night.

Listening to Aunt Leone tell stories and hearing her laugh.

The day I got married. We had a lot of time to spend together before the wedding since it didn’t start til 5 pm. Aunt Leone sat down at the piano and we all sang songs together.

Learning to quilt and chain stitching while making my first log cabin quilt block. Thankful for 2 Aunts to teach me.

Riding in the van together as we drove all over Northwest Minnesota for the Minnesota Quilt Shop Hop. Laughing. Shopping and we always stopped for a Dairy Queen!

Her love of family and all of our times together.

Cheers to you , Aunt Leone, and Verl being together again.

Love and hugs to the family
