“ *Dear family of little Levi,*

Brian and I both remember several of your family who have been part of our lives in decades past. From Pilger to Grand Island, our lives have intersected with the common thread of our Christian walks with our Savior and Lord Jesus Christ.

With sadness in our hearts for your family, we know their faith in Jesus alone will carry them through with the hope of eternal life. We know that God will weave beautiful blessings into their lives through yours and the sorrow and brokenness they now feel, Levi. May they each "lean in" to the everlasting arms of our loving heavenly Father.
