“ To Leanna, all the Winfreys and Dixie,
My heart aches for you at this sad time. I knew Linda in the 70's
when I lived in Lincoln
and have kept up with her via Dixie.
She had an amazing attitude and a smile that could light up the
darkest room.
I remember laughing until we cried over the silliest things. She was
beautiful, inside and out. She will be missed.
Bless all of you and please accept my deepest sympathy,

“ Dear Holmes Family, hello! I am so very sorry for your loss. Please accept my deepest condolences at this very sad time. Please take great care!

The faithful man Job said: “If an able-bodied man dies can he live again? . . . You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15) This denotes God’s earnest longing and desire. (Genesis 31:30; Psalm 84:2) Clearly, God must keenly anticipate the resurrection. Can we really believe the resurrection promise? Yes, there is no doubt that God and his Son are both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions!

“ I was saddened to hear of Linda's passing. We dated back in the 70's and she was always one of my favorites-a fun loving and pretty lady with a great smile. One of the best times we shared was a trip to our cattle ranch for a branding. My sympathy goes out to her family.

“ My deepest sympathy goes out to Linda's family and Dixie. I remember sitting with Linda in study hall at Grand Island Senior High, and graduated with her in 1970. I will always remember the laughter amongst she, Dixie, and her other close friends at our last class reunion.
