“ *I joined her family for one year. Wendy and Dennis were my host family. Sometimes, I went to see Lois with Wendy. I loved to watch Royal baseball game with her. I was always excited to yell in front the TV but she was always calm down. haha Our actions were very different. That was very interesting.*

Few days ago, I got to know Lois passed. I feel sad. I know she was Christian woman. She always kept in the faith and on the God's way. We don't need to be too sad, because just only her body left for us but her spirit always be with us.

*Love,
Parisa*

“ I don't believe I ever got to know all the Goings, but your legendary status runs long, and Wayne has been a life-long friend. I had the pleasure to meet Lois once in Grand Island, and to speak with her on the phone several times thereafter. What a sweet and accomplished Christian woman she was, and what a great deal she contributed to God's kingdom, not least of which the rearing of seven fine Concordia University graduates, whom I remember being featured as such in the school's national magazine. Pastor Going came from good clerical stock, obviously. May the faith that sustained this exemplary couple through life also sustain each of this large family as you mourn, and as you celebrate her life of loving and giving.

“ Lois was my kids piano teacher in Cairo. She was a great inspiration to them. My 2 girls still play for their own enjoyment and my son remembers her and a good teacher even though he did not always practice. Lois was very caring and she will be miss by all who came in touch with her. Cherish all of the memories. Ruth Tyma

“ *Deb (Lois' niece) and Phil Esala send our prayers and sympathies to all the Going family. Deb has many fond memories of playing with her Going cousins during their childhood years. Deb and Phil send our love, praying that the Prince of Peace will give all of you His peace that passes all understanding and that He will hold you all in the palm of His hand, just as He is doing now face-to-face with Lois.*
