“ *To Lorraine's extended family, we are so very sorry to hear of her passing. We've known Lorraine for many years. When I first came to Grand Island, I worked with Howard's Dad at Roush Motor Company. Conni's Mother, Caroline Stolle lived next door to Lorraine and Howard for many years and said they were the best neighbors you could have. May you find peace and joy knowing that she had a full life and gave you all many memories.*

“ *Sending hugs and prayers to all. Thinking of you all right now. Lorraine and Howard didn't live to far from us as we were growing up. Knew Janet from a really young age and also worked with her later. I know Lorraine was a really good baker because she bought Watkins vanilla. Take care. Diana McKoski*

“ *My condolences to the Bacon family. I worked with Lorraine at Skagways in the photo department from 1971 to 1973. She was fun to work with, always had a smile on her face and kind words to say. I seen her a few times after I left Skagways and moved to Vegas and she just had a good nature about her. She was a special lady. R.I.P Lorraine.*
