“ *James , Jamon , Bacon were nick names in the early years and as he grew he acquired Bubs, Suds, the Vacuum and Chambers and I am probably missing a few. As a 9 year old we were on the same ball team and coach would have James pitch to me because he could strike me out ! I was 3 years older! He never bragged , or was cocky about it , but when he walked off the mound you could see a look and grin on his face that said " Yea , you know." His eyes could tell a story and always in a loving respectful manner. He loved everyone and gave without expecting anything in return. His heart is so true. Miss you my dear Brother !*
