“ Louise and i worked together at Sears over 50 years ago....i had not thought of her again till 3 years ago....she thought i was nuts...i told her it was not my idea....if you want to know how we got reacquainted, ask God....it was his idea....many know how happy and blessed she made others feel....always smiling and loved to have fun...but also very organized, neat , clean and helpfull.....over the last 2 and 1/2 years i talked to her daily and sometimes many times during the day and nite....She never lost hope....a week before she passed, she was making plans to go home, listen to music in Kearny,drive her convertible and travel, even if she had to use a walker or wheelchair...She loved life and wanted to live.....I loved her and will miss her terribly...Larry Smith

“ Oh Gypsy, my life was better because of you. You helped me through my divorce and could always make me see the bright side of things no matter what. You had the most beautiful soul and could light up a room just by walking in. I miss our chats and hearing about your latest travel adventures. You'll be missed but you will live on in all of us! “ I feel so blessed to have known Louise and had the pleasure of working with her for more than 7 years at the Council on Alcoholism and Addictions in Grand Island. She was a beautiful lady with a great smile, full of life, had a contagious giggle, and she absolutely loved working here with kids facilitating all of the youth programs. Thank you God for Louise and her family, and may she rest in peace. Blessings to her family, you are all in my thoughts and prayers. Connie Holmes

“ *I hadn't seen my Aunt Louise for many years and ran into her awhile ago, the same spunky lady I remembered from my childhood! She was always very kind to me, and her smile made my day. She will sincerely be missed by many people. I know Monte and her are catching up, and want Tammy and family to know that I'm thinking of all of you. —Danyel*
