“ *Lucille and I are cousins...my Dad was Lucille's uncle (her mother's brother.) Lucille and I had some great & fun times together when we were kids. I will remember her the rest of my life. She was very dear to me and I still remember her hearty laughter. She always had a smile on her face.*

Sending sympathy to Lucille's family.

“ *Lucy was such a special, sweet friend to our daughters. We always looked forward to seeing her sweet smile, visiting and doing activities together at the home. She loved the Lord Jesus and shared that love with all around her. Though we know she is rejoicing in God's presence now, we miss her already.*
