“ *Kirk and Cindy,*

So sorry to hear about your mother. I will always remember all the fun that birthday group had. It isn't often a group of friends can stay that close for so many years. I know Mom is missing all of them terribly. Even when all of us kids would get together it was always a good time. You and your families will be in our thoughts and prayers.

I so wish I could make it back to GI for her funeral, but not able to get a way from the job. We live in Lincoln now. I will remember you always. Take care.
