“ *I heard recently that your mother had died. I hadn't seen her for years but still considered her a friend. She was one of the sweetest people I ever knew. When she told me she did ironing for other people, I was amazed. That was the household chore I liked the least. We met your mom and dad when we were playing in a country band in grand island. I remember one time we went to their house about 2 in the morning and ate crackers and smoked salmon. So good and even at that late hour she was a gracious hostess. Memories of long ago friendships are priceless.*

“Margaret was a dear friend. We shared many good visits. She always had a cup of coffee ready to offer. My most special memories are all the different activities that we shared at Christ Lutheran Church. She loved going to Ladies Group meetings and the LWMS rallies. She told me different times about how she knew that Jesus was her Savior because He loved her so much that He willingly suffered and died for her sins. She'd say "I know that I'm never alone because Jesus is always with me." So now she is with her Savior in heaven. No more suffering. The LORD be with each of you, her family.

Margaret was a loved neighbor and friend. Our mother worked and for many years Margaret was our go to when we were unable to reach mom. Even when we were grown we made a point to go see Margaret on our trip s home. Our sympathy goes out to her family, she will be sorely missed. Vikie, Jane, Barb, and Clif Peterson
