Great tribute to Margaret and your entire family. The photo of Zig and Margaret at 11:40 in the video is my favorite. Youthful vigor. I also loved the photo where they're boarding the vintage United areoplane. Nice stuff.

Bob and family---it's been many years since our days in Grand Island, but please accept my sympathies to all of you on the passing of your mother. When we were "kids," she was always one of the neighborhood mothers that was there for us. I remember her grace, and several years ago when I attended the funeral of Jim Brittain's mother---she came up to me and we had a nice discussion.

Our prayers are with all of you. Bruce

“ My deepest condolences to Margaret's family.

I worked with Margaret at Grand Island Senior High from 1975 - 1977. I have such fond memories of my time working with Margaret. She was like a second mother to me at work. She loved her family and spoke about you all the time. We spoke about 5 years ago and took up right where we left off so many years ago. I think of her often. She was a very special lady and I know she will be greatly missed by all.

God bless, Debbie (Selden) McLachlan

“ Condolences to Bob, Sue and John and your families. I understand the last year or so was difficult for Margaret and all of you but, until then, she was the most healthy, energetic person I know. Every time I saw her I couldn't believe it - she never seemed to age! And her mental capacities were just as sharp. We always enjoyed her company and I'll miss her. I always think of your dad as well. Take care and God bless each of you and your families. I miss you guys.
