“ *My family and I went to school with Mrs. Walter's family, in Alda, Wood River and Grand Island. Mrs. Walters and her family moved to Grand Island the same year my family did. It was a blessing to go to a new school, G.I.S.H., knowing I already had a friend there. As I look back I realize that her faith in the Lord was important to her as she raised her children. Whenever I would see Mrs. Walters she would always have a smile and a caring way about her. I was blessed to have one of her daughters as a friend.*

"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him." ~ 1 Corinthians 2:9 (KJV)

My thoughts and prayers are with her family.

“ I knew Marian since I was a child in Alda . She was always so fun to meet in town and catch up with . I still live in Alda so we visited about people we knew. One thing was she always had a smile for you . And when my husband passed 3 years ago she sent me the nicest note . She truly believed in God and the Salvation Army and all the good they do for everyone. And she did love her children dearly . My thoughts and prayers are with you all at this time .
