“ *I was saddened to hear of Marilyn's passing. When she found out that I knew her family through DeVonne, we had some great visits at Hamilton Manor and then for a time at Westfield. Sending my sympathies to all of you.*

“ *I was very blessed to know such a sweet and caring woman. She made my day with her sparkling eyes and beautiful smile. I was very privileged to get to know her and hear stories of her younger years. She always had a smile and would say "Well hello sugs come sit with Auntie Marilyn and tell me all about your day" . My condolences to the family. May she rest in peace. Love and prayers to all*
