“ We became friends as neighbors in McCook . Our daughters wee only 3 months apart. We moved shortly before our second children were born. We enjoyed helping each other as we worked on our new homes. I remember making homemade ice cream on a hot summer night and laughing because I forgot to put the paddle in so it was taking such a long time to freeze. We thought if you over the years with fond memories. Bless you and your family memories.

“ My condolences to Marion's family. We worked together at Packards Aerial Spraying in Imperial during high school summer vacations. Hours were before sunup to after sundown and sleep when the wind blows. Many life lessons were learned during those times especially the value of hard work. long hours, responsibility, punctuality and many more. Again, my sympathies. Mick Majors Wauneta
