“ *Dad, your sudden passing left us shocked. We think that we have a lifetime to share with each other but that's not true. I'm very proud of your service to our country and the beautiful music you made on your guitar! I'm proud that you shared your love of music with everyone. We will take care of mom! I'll need you to check on her from time to time. Especially when she has her tears of loneliness for you!! Please, dad, comfort her! Put your arm around her to lift her! I miss you, dad! I love you, dad!!*💕💕
