“ *Your Mom was most proud of you kids and what you all have become. It gave her so much pride knowing the outstanding people you kids have become. And the beautiful grandchildren she was so blessed with. The most positive person in the world and I hope you all take hold of what she taught all of us: HUGS & MUGS - Coming and going:) Keep the Faith, maintain the positive attitude! Remember her with every hug and kiss! I will also remember her whenever enjoying a night time bon fire with loved ones! She will be there with you, I am certain! God Bless You kids! I love you ❤️*
