“ Steve and Sonya, I'm so sorry to read of the passing of your mom. Not sure if you remember our parents getting together and playing cards when we were little. My mom sends her condolences and was reminiscing about the fun times they had. Mary was a dear friend to my mom. She was the sweetest and always had a smile. May she rest in Perfect Peace.

“ So very sorry for your family's loss. Aunt Mary played a very big part in my childhood and teen years helping to mold me into the man of God and family that I am today. She and your dad were very big supporters of mine during my grade school and High School years. Sometimes even there when my parents could not be. He will raise her up! Hugs and many prayers going up for you all. From cousin Anton (Tony) Morrow
