*So very sad and sorry to hear about Max's passing. He was a "one of a kind" guy who I am proud to call my friend. We spent years working together, laughing together, crying together and those memories are priceless. We will keep Max in our prayers and our hearts. He will be greatly missed but the time we were given with him is truly a blessing. Hit them long and straight buddy,*

With his sense of humor, quick wit and enthusiastic approach to life and work he was always a joy to be around.
