“ *I was so sad to hear of Mike's passing. We were high school classmates and thinking of him has always brought a smile to my face. As others have said, he was so intelligent although he had an impish way of trying to hide it. I know that I have a smile thinking about him because he always had a sly smile on his face. For his family and friends, please accept my sympathies, I'm sure he left a huge empty space in your lives.*

“ We are going to miss Dugger. I remember being on the Tigers Little League team with him and then not seeing him for some years till the ninth grade at Walnut. It was in the stands at a b-ball game where I saw him standing yelling/singing I Want To Hold Your Hand to no one in particular and thinking he was a cool guy. We had lots of good times together especially in the 60's and 70's. Rest in peace Mike. Ron Kruse

“ Harry, I have been in prayer for you since easing of Mike's passing. I don't think I ever met him, but reading comments tells me he was a special person, like his brother. I know God is walking through this with you.

“ We are shocked and saddened to hear of Mike’s passing. He was an intelligent and lovable person and someone we were glad to call a friend. Unfortunately we had not kept in contact with him over the years but still have great memories of all the good times we had during our high school years in Grand Island. Whether we were hanging out at Louie’s gas station, stuffing ourselves with beef burgers at Nifty’s, making a loop on South Locust or just partying when we had the chance, Dugger was ready. Please accept our heart felt sympathies and know that our thoughts and prayers are with your family at this difficult time. Mike, you will be missed by many.
