“*Sadly Mike and I did not grow up together, but found each other as siblings in 1990 at our fathers funeral. Since that time we have visited one another, talked on the phone, texted and communicated any other way possible. I think since meeting we have shared a lifetime. I added just a few pictures I had. I love you Mike and I always will.*

Rose and family, I send you all my love and prayers while I hold you all in mu heart!

Love,

Kathie and family
