“ I'll never forget the day I met my little brother 36 years ago in the nursery the only red hair boy and all those baby girls. I look at our dad & said oh shit he's already flirting with the other girls. Mikey I have so many good memories of us when I came to Grand Island and your mom and you came to meet me so I could get to your house. You look at your mom and you said can I ride with my sister Jackie. we had a bond and that bond will continue even though you're gone. I love you my red headed Lil brother Michael Henry Weidemann
