“ *I worked with Michele when she was the clerk for WIC, she was always caring and respectful to our clients. Loved our road trips together, was sorry when she left us but did get to see her at the office. Michele was always fun with a great smile. I got to see her occasionally when she worked in Bartlett and knew her battle with cancer wasn't going well. Much to young to loose and such a giving person. God will take great care of her. I am so sorry for your loss.*
