

Mike Hall

May 4, 1956 - August 13, 2020

Mike Hall, 64, of Grand Island passed away at his home on Thursday, August 13, 2020.

Cremation has been chosen and private family services will be held at a later date.

Mike was born on May 4, 1956 in Genoa, son of John and Mary Jane (Hoffmeister) Hall.

He attended school in Genoa and completed his GED. Mike went on to earn his Machinist certificate. He was employed as a welder and machinist in several area Manufacturing plants.

Mike is survived by his wife, Sonja Badorek; son, Shawn Hall; Daughter, Nicole (James) Weverka; mother, Mary Jane Hall; and six grandchildren; along with numerous extended family and friends.

He was preceded in death by his father.

“ *I just read a late Genoa paper and saw the Obituary for Mike. So sorry to hear of his passing. I grew up in Genoa, Mike and his family lived in the big “pink house” on the top of the hill (couple houses down from us the Cooper Family). My dad was good friends with John and my mom with Mary Jane. Lots of memories of Mike and all the kids/families that grew up on the hill!!! One memory was Mikes dog a Doberman Pincher , I think his name was Barren. We were all scared to death of him and Mike always tried to get us to be friends with him. Don't think we ever did. I think it was because he couldn't bark and always scared us kids cause he could sneak up on us and that was very frightening!!! LOL!!!
Prayers for all of Mikes family!!*

“ *I just learned of Mike's passing yesterday. So sorry for your loss. I moved to Genoa in the summer of 1969. Mike was one of the first kids to reach out to me and be my friend. I will always remember that and appreciate his kindness. We were classmates at Genoa and remained friends.*

“ So sorry to read in the Genoa paper today,
that Mike had passed away....
Him and my husband became good friends
while working at Lindsay Manufacturing
Mike was such a nice guy....
My husband Ralph and Mike are together once again in heaven....
Prayers for Mike's family

“ To the entire Hall family... my sympathies for your loss. I learned of Mike's passing from the Genoa Leader-Times today.

Mike and I grew up together and were classmates in Genoa -- starting in Kindergarten and through high school. My locker at GHS was nearby, just separated by Peg Frey's locker. Mike was a great athlete, a great classmate, and a guy who definitely had something to say about current events. Mike was a fierce friend of us all... all 36 of us.

Mike was curious. I remember our junior high science class when we were learning about atoms and elements. He sat nearby and we did several experiments together -- Mike was totally engaged in the work.

Mike could be impatient but mostly he was just a guy getting along with most everyone.

Once Mike punched me in the face during a football scrimmage -- yep, that hurt. He was angry about the game but I knew that he was just taking it out on me -- I was safe for him. I'll never forget the surprise on his face when he realized what he had done. We were still friends nonetheless.

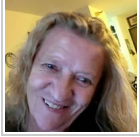

Mike and I parted ways after high school -- I went to college and eventually studied chemical engineering... yep, the stuff we both learned together starting in junior high. But Mike was a role model for me since my Dad was pretty hard on me, and I know that Mike had some similar experiences. Mike had that amazing ability to stand up after a setback, change direction and move forward. It taught me how strong and tenacious a person could be.

I am so sorry to hear about his early passing, and I hope your fondest memories comfort you in the upcoming months.
