“ *I'm so sorry this is late. I live in Lincoln now and only read the GI obituaries about once a month. I was saddened to read of Mildred's passing. Although I was in grade school in Alda, I remember visiting with mom and dad at Delbert and Mildred's. Especially your sister, Starr, as we were friends in school. Mom talked often of her cousin, Delbert and Mildred and know that they were very close. My sympathy to you Mildred and Delberta. They are probably all together in heaven having a great time. Take care.
Love,
Sharon (Merithew) Albertson*
