“ I'm so sorry to learn of Nadene's passing. Nadene and I were friends all through high school, and even better friends after we graduated. We kept in touch through our reunions and after she had moved to Lincoln, and I had moved to Omaha. I had talked to her recently, and knew she was in poor health. She was a wonderful person, a very bright lady, and bless her talents and optimism to everyone she was with. I will miss her.

You have my deepest sympathy.
