“ *Uncle John and cousins,*

I am so sorry to hear about Aunt Nancy's passing. She was a wonderful aunt and a beautiful person. I will never forget her calling me after I graduated from business school in Grand Island and had no idea what I would do with my new business degree. She told me about a job opening at a real estate company and because of her I was hired! That meant so much to me, a farm girl getting such a good job.

I know this time is hard for all of you, especially hard because of the pandemic and not being able to have a funeral service for Nancy. You have been in my prayers every day since I heard about Nancy, and we look forward to any type of service you might be able to have for her in the future.

“ Vic and I are heart-broken over the news of Nancy's passing. She was a good-hearted person who loved her family deeply. Over 46 years ago, she and John befriended us when we were just two punk kids, who wanted to get married at a very young age. Vic always looked up to his "Uncle John" and his beautiful wife Nancy from Palmer and valued their opinions. They always had that "down-to-earth wisdom," with strong independent spirits, that we were drawn to and relied on many times. John was Vic's Best Man, and Nancy was my Maid of Honor in our wedding (1974), and both remained very important to us ever since. As time moved forward, babies were born and jobs became hectic, the physical miles grew between us; Christmas cards, family gatherings, and an occasional visit to Grand Island became the norm. Family funerals came and went, and we so regret not making more of an effort to stay closer. Nancy always had an inner strength, a "common-sense wisdom" that I'm sure many friends benefited from. I so appreciate her friendship and guidance over the years. She will be missed by many! Rest in peace my friend!

“*I am so saddened by Nancy's passing. She was truly the most hard-working person I've ever known. Always with a comforting smile, a thought-out solution, and a take-the-bull-by-the-horns attitude. After all her dedicated work life, I'm so sorry she didn't get to enjoy her retirement. Thank you, John, for being her loving companion and for taking excellent care of her in her illness...and always. What a beautiful picture of Nancy you have posted, just as I wish to remember her. George and I are lifting you all up in prayer, hope and peace. Jacalyn Ayoub*
