“ *Nancy and Frank would always come to Things Remembered and have something engraved quite often. I remember the last time I had seen her before Christmas and she was as sweet as ever. I gave her a big hug and told her I was happy to see her. I sure will miss seeing her smiling face. My thoughts and prayers go out to all the friends and family of Nancy especially Frank.*

“ *Our son was hospitalized at SFMC on many occasions over the years. Nancy worked there. She was always such a bright spot in our day. She would always take time to say hi and to see how we were doing. She truly cared about the patients there and when she left she was missed very much! I am so sorry for your loss.
