“ We are going to miss our dear friend and neighbor, Nancy! She was always so much fun, loved to laugh and even if it was about herself too, her reminiscing of days gone by, and yes, we can relate to those time periods, and she was also quit the prankster. We always enjoyed our visits and went away with a big smile and a chuckle. Please remember to bring up those memories and speak of them often! Know that we are holding you all up in prayer. We were so blessed to know Nancy and we will miss her dearly. Her weird neighbors down the block.
