

Nancy H Schmerdtmann

January 7, 1943 - February 28, 2025

Nancy Schmerdtmann, 82, of Grand Island NE died February 28, 2025, and is now safe and free from pain in the arms of her Lord. A gathering of friends and family will be held from 5-7pm, Thursday, March 6, 2025 at All Faiths Funeral Home.

Celebration of life services will be at 11 am on Friday, March 7, 2025 at St. Paul's Lutheran Church in Grand Island, NE. Pastor Bill Pavuk will officiate. Burial will take place at the Rose Hill Cemetery in Pender, NE at a later date.

Nancy was born to John and Emma (Hespe) Schmerdtmann on January 7, 1943, in Pender Nebraska. She was baptized and confirmed in the Lutheran faith and was an active member of St. Paul's Lutheran Church at the time of her passing.

Nancy graduated from Pender Public Schools in 1961. In 1965 she graduated from the University of Nebraska Lincoln with a B.S. from the college of Agriculture and Home Economics. She taught in Albion Public Schools for eleven years before returning to Lincoln to earn a master's degree. In 1978 she began her 25-year career as a UNL Extension Educator in Hall County, retiring in December of 2003. She loved her work and touched many lives through the years.

Nancy truly had a servant's heart. She was one phone call away from lending her creative mind and exceptional organizational skills to any task. Her family was blessed with her artistic creations and endless seamstress gifts. After her mother's passing in 2010, Nancy continued the month-long tradition of baking cookies to share with her family on Christmas Eve. She volunteered for her church, Habitat for Humanity and when the Nebraska State Fair relocated to Grand Island in 2010, she was superintendent for open class exhibits for many years.

Nancy is survived by her sisters, Mary (Clayton) Parham of Clearwater Florida, Betty (Alan) Young of Kearney, NE and Aline (Jim) Kitten of Grand Island, NE. She is also survived by her nieces, Erika Cada of Blair, Heather (Nick) Dedermann of Norfolk, Alise (Adam) Verhage of Geneva, Jami (PJ) Smith of Grand Island and 10 great nieces and nephews.

Nancy was preceded in death by her parents.

“ Nancy will be missed! She was so talented and kind. We had a chance to know her in Extension. One time I will always remember was when she took about four of us Extension Educators to her house and tried to teach how to do the beautiful ink notecard that she made. She was so patient and willing to take time to teach us how. Mine would never look like Nancy's!! I'm glad I got to know Nancy through the years. Gail Brand

“ My family is so saddened by Nancy's passing. When I told my kids, Randi said said "She was such a huge part of our childhood 4-H memories". Brad said "she would take over for mom when mom couldn't take it any more, when I was learning to sew". We spend many, many, many hours together through Kids College Classes-teaching hundres of kids to sew, 4-H clothing shows, Hall County and State Fair. She was so patient, kind, talented, creative and organized. She recently helped me out by making the most beautiful Kings costumes for our church program (all out of her "stash" of material and ribbons). I will miss knowing she is a phone call away, when I have a "how do you do this question". God Bless you my friend, you will be missed. Linda & Kevin Green, Randi Offner, Brad Green

Nancy was my Home Economics teacher when she was in Albion. She was such a talented person and taught me so much. I learned my love of sewing in her class and have used those skills during my career in running my own business and making beautiful window coverings for my clients. Thought of her often when designing some of my projects. She came to one of our Class reunions where we invited our past teachers to come. Prayers to her family. Lisa Skillstad
