“ *Kevin I too have so many wonderful memories of when your mom and dad would bring you to visit. Those nights of everyone playing uno at the dinner table in the kitchen at Papaw's house were very memorable. Your mom was a wonderful woman who did an awesome job of raising you and she will be greatly missed. You and your family are always in my daily prayers. Love you. Brian*

“ She was my Aunt Nila. Very special to me. When we would talk she would always say " How's my Debbie" we would talk about when I was a lot younger, and her and my uncle Don loved it when I would come and visit. I loved her a great deal and will really miss her.

“ Kevin, Shannon & Children,  
I loved your Mom very much. One of my happiest memories I have of her, was when she visited me in San Antonio when she was on vacation. She was having such a great time and it was wonderful to see her. I also remember the fun times I spent with you all when I was a teenager. Always loved being with your family. I'm so sorry for your loss and love you so very much.
