She grew up on the family farm near Roseland, where she graduated from Roseland High School with the class of 1978 and named the outstanding girl of the graduating class. “ *Norine was always a pleasure to visit with! She groomed my dog for over 10 years and she treated her like she was her own dog. I lost Brittney to the heavens 3 years ago, so I was deeply saddened to hear of Norine's passing. My condolences to her entire family!*

“ Norine groomed my 3 dogs for 16 years. She was the best and I
always felt so confident in her ability to make my dogs feel at ease
and let me know any issues she found while grooming. She was
always so friendly and a wonderful personality. You could tell she
was very passionate about animals and I completely trusted her
with my fur babies. She was one of the best groomers you could
find. She will truly be missed. Prayers to her family.

“ I first met Norine in 1982 at Honore Kennels where I bought my first
dog. Norine was my friend and dog groomer. I followed her
wherever she worked. Her clients and their dogs were very special
to Norine. I'm so sorry she died so young. She had a wonderful
personality.

“ Sending prayers and thoughts to all of you. I am sorry I never got to meet Norine but knew her husband Randy and his folks from when I worked at Orschelns. They were the nicest and neatess people and the guys were great teasers and always had a good word for everyone. So sorry Randy it will get easier but never go away completely but you will have this little room set aside for her in your heart and always remember the good times but to keep a balance remember the bad memories as well. Say a little prayer every day and that always helps
