“ *My Grandma was the most strongest person I've ever known. She was a woman of Faith. All though I will miss her, (especially her singing) I am rejoicing knowing that she is singing in Heaven, reunited with her Husband, son and daughter but most importantly, she is with Jesus. I will do my best to help fulfil her last wish and that is for her family to live each day for Christ as she did each and every day. I ❤️ you Grandma.*
