“ *Miranda, I am so very sorry for the loss of your Mom! I worked with her for many years as she did foster care. I always enjoyed talking with her, she had a heart of gold, always wanting to help people. Every time I talked with her, she always talked about you, she loved you so very much and was so proud of you! I did get to see her a few years ago and got to hear about her grandbabies, who she very clearly adored as well. Lifting you and your family up in prayer for peace and comfort.*
