Pat was born on February 9, 1966, during the first Superbowl, in Sterling, Colorado, son of Larry and Hazel (Campbell) Metcalf.

He grew up in Fleming and Crook Colorado where he attended school. Pat soon took to the open road and joined a carnival. He settled down and was employed by a dairy, milking and caring for the cows. After staying in one place for too long, Pat began driving truck. He met and married Gayle and they were blessed with three rowdy sons and a daughter. They made their home in Chappel, NE where they settled on a beautiful farm for the next 30 years. Life took many turns and twists and he recently found himself relocating to Aurora to be near his daughter and son. Pat started driving truck for NSG and enjoyed his time with his grandchildren.

Pat was a member of ABATE motorcycle club and a volunteer EMT and Firefighter. Pat was able to help many families through volunteering as an EMT and Firefighter.

Pat loved to collect pens and had a whole office in his truck. He loved caring

for the animals on the farm and many pets. He was strong and caring in his own way and he lived the way he wanted to.

He is survived by his children, Zach (Nerina Giolli) Metcalf from Orange County, CA, Darron (Sonya) Metcalf of Huston, TX, Deserae (Krael) Suck of Aurora, and Holden (Tabbie) Metcalf of Hastings; mother of his children, Gayle Metcalf of Grand Island; grandchildren, Alex, Gavin, Nola, Caden, Connor, Kiptyn, Korbyn, Edith, Oden, DeLilah, and Cayson; one brother and two sisters; along with numerous extended family and friends.

Pat is preceded in death by his parents, and brothers, Michael and David.

“ Pat brother and sisters names are shawn metcalf of Denver and Alene Davis over Oswego NY and Melissa Pelton. Unfortunately for me this is a day I will never forget because his funeral is on my birthday. Pat always had to have the last word on everything, he was very caring and loving man who always tried to knock sense into me and to keep my head up because the worst was over. Now I'm on the right track and he said he was so proud of me. When he called to tell me something was wrong and that he was getting test done I thought oh no I'm going to lose my brother. But thank God it wasn't that bad, bad enough but something he could manage. I thought someday I would lose my brother to Lucas, never in my world did I think COVID would reach our family and never at one of my close siblings and never Pat was to struggle to let this beat him. But I was wrong it did take Pat's life. Because he had been through so much I think he was tired and ready to go home and be with the Lord. I'm very sad and broken now and want my brother back. But that's not going to happen so memories is all I have. Pat this song for you. Dancing in the sky
